NOTE FOR: D/ODP

STAT FROM :   
Acting Chief, Management Staff

SUBJECT : Paperwork Reduction Act

STAT I talked to  OGC. He is readying his final memo to OGC. There are no major changes from the draft we commented on. The following are points of interest:

1. OGC doesn't care who the Czar is. They, however, see no out for selecting one individual, combining the DPA and information management functions. (Informally, Paul thinks the intelligence ADPE exclusion will not get us out of the single individual requirement).
2. Redelelegation such as from the DDA to IHSA and D/OL may be possible but would have to be handled with care.
3. OMB directives stemming from the Act would have to be addressed on a case-by-case basis to see if we would be excluded (because of the intelligence ADPE exclusion).
